**Dunbar Police Department**CASE# **2022-00010914****FIELD CASE REPORT****NARRATIVE**

On Saturday, December 3, 2022 I was attempting to respond to a BOLO that metro had given when a male that I knew to be Anthony Reese from previous encounters approached me asking for Captain Arthur and Ptlm. Winters of the Dunbar Police Department. I informed him that they were both not on duty.

While speaking with Anthony he threatened to "beat my ass." I then approached him to question him about threatening me, when I got closer, I could see him slightly swaying back and forth. He then approached me even closer at which point he was approximately 6 inches from me and I could smell the odor of an alcoholic beverage emanating from him when he threatened me his speech was also slurred.

Once Anthony approached me, he took his right hand out of his jacket pocket which was balled up into a fist, I then grabbed his wrist and told him to put his hands behind his back at which point he tensed up his arm and body. While having a hold of his wrist with my left hand I grabbed his jacket with my right hand and placed my right leg behind his legs and performed a hip toss to place him onto the ground to effect an arrest. Once on the ground Anthony landed on his stomach and quickly put both of his hands under his body at his waistline, I used my radio to inform metro that I was fighting. I was immediately in fear that he was attempting to retrieve a weapon so I tossed my radio onto the ground and struck him five (5) times in the right side of his ribcage as distractionary strikes in hopes that he would release his hands.

At which point Lt. Mason, Lt. Barker, Cpl. Kendall, Ptlm. Winters, Ptlm. King and Ptlm. Bruce exited the department to assist me with retrieving Anthony's hands and place him in handcuffs. Once in handcuffs a knife was recovered from Anthony's right pocket. He was then taken into the office for processing, while taking him inside Ptlm. King requested EMS come look at Anthony since he had sustained minor injuries while affecting the arrest. EMS later transported him to Thomas Hospital at his request, he received a battery of tests and scans for injuries which all were negative. Anthony was given bandages for minor facial lacerations and cleared for incarceration.
